Window Washing

Saturday 17th October

Spring into the last couple of weeks of term with our Port and Chocolate evening on Tuesday the 15 September.

At the P&F evening tonight we are fortunate to have Kate McCaffrey give a very informative presentation on cyber-bullying.

With Spring in the air there's another great opportunity to build up your family commitment hours. Mark your calendar now for a lovely morning or hour or two of window washing on Saturday the 17 of October. The roses should be in full flower after the great job done to mulch, weed and tidy up at August's busy bee.

We look forward to seeing you soon at a P&F evening or event.

P&F Evening

SEPTEMBER

Cousins Hall

Presenting
"Cyber-bullying"

Guest speaker, Kate McCaffrey

A big thankyou to all of the parents and staff who helped at the Primary School Disco held in August

Your thoughts and ideas on the disco are welcome

Please make sure you contact the P&F or come along to a P&F evening to put forward ideas for 2010 events for our primary school children.

Thanks for another great disco

Guest Speakers

Your ideas are welcome as to the guest speakers you would like to hear from at regular P&F evenings.

St Stephen's Busy Bee—Saturday 15 August

THANK YOU

On behalf of the School Community, the P&F would like to thank everyone who assisted with the August busy bee, including Paul and his able team who came in on the day.

A great deal was achieved on a morning which presented almost all elements of the weather.

Everything's coming up roses ! Your help is very much appreciated by our students, staff and visitors.

Garden beds look great, lots of mulch was distributed and this is a huge help to Paul and his team.

Thanks again to a very good team of people, you did a great job. With over thirty volunteers on the day we would also like to acknowledge Danny's efforts in organising the morning.

“Cyber-bullying”

Internationally acclaimed author, Kate McCaffrey, will be our guest speaker at the September P&F Evening, Tuesday 15 September 7.30pm

Please come along to meet other parents, and learn vital information from this presentation. At the end of the presentation, there will be an opportunity to discuss specific issues of interest with Kate.

Thank you Reverend Sonny Rajamoney “Engaging Our Youth”

Reverend Sonny Rajamoney was our guest speaker in August.
Thank you Sonny for the thought provoking presentation.

Lorraine Paul Centre

Earlier this month, interested parents and friends were invited to a tour of the Lorraine Paul Centre. We would like to thank all staff for making time to conduct this tour.

Thank you also to the students and staff who enabled us to visit each area and to witness first hand the fantastic facilities and resources on offer. We could also see works of art, media productions, woodwork, and cooking in action as staff and students from a range of classes invited us to share some time with them.

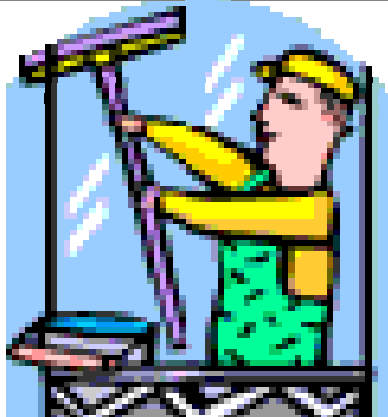

Mr Titlestad pointed out specific equipment that had been funded by P&F contributions, and the small but keen group of parents and friends were also treated to a delicious afternoon tea with scones, jam and cream.

Thanks also to Melinda and Joy for organising this opportunity.

Regular Updates from Senior Staff

At our P&F Evenings we are fortunate to have a regular update on many issues of interest from a senior member of staff.

Parents also have an opportunity to ask questions and raise relevant topics.

Your contribution to the window washing not only helps the school to sparkle, it saves our School significant \$\$\$'s

Thanks to everyone who supported the window washing efforts earlier in the year. We look forward to seeing you again for the spring clean of windows on the 17 of October. A great way to build those family commitment hours! Meet at the turning circle at 8.00am, all equipment supplied.
